From its premiere at the turn of the 17th century, Hamlet has remained Shakespeare's best-known, most-imitated, and most-analyzed play. The character of Hamlet played a critical role in Sigmund Freud's explanation of the Oedipus complex and thus influenced modern psychology. Even within the narrower field of literature, the play's influence has been strong.

The slash is an oblique slanting line punctuation mark. Once used to mark periods and commas, the slash is now most often used to represent exclusive or inclusive or, division and fractions, and as a date separator. It is called a solidus in Unicode, is sometimes known as a stroke in British English, and it has several other historical or technical names, including oblique and virgule.

There is a phrase that floats around college campuses, Princeton being no exception, that threatens to strike down opinions without regard for their merits, but rather solely on the basis of the person that voiced them. "Check your privilege," the saying goes, and I have been reprimanded by it several times this year. The phrase,...
